Business Meeting

February 10 1930

At a legal meeting of the Inhabitants of the Town of Chelmsford qualified to vote in Town affairs held pursuant to Warrant duly procured, said meeting held at the Upper Town Hall at Chelmsford Centre on February 10 1930, at 9.30 A. M. Moderator Walter Perham called the meeting to order and requested Town Clerk Harold C. Peterson to read the Warrant, after the Warrant was partly read Selectman Eliphaz G. Brown moved that the further reading of the Warrant be waived and it was so voted.

Under Article #1 - To hear reports of Officers and Committees,

Selectman E. G. Brown reported for the Committee appointed to investigate the advisability of relocating Central Square. Mr. Brown said that Committee had held a meeting and that said Committee had not any definite plans to submit. The report was accepted and placed on file.

Selectman Frank J. Dupin made a motion that the Town report be accepted with the corrections of any typographical errors, and it was so voted.

Selectman Brown reported that the Selectmen had no report to make on surveying street lighting system.

In the matter of taking over a part of the North and Boston Roads, by the State, Selectman Brown reported that the Selectmen and the Supt of Streets attended a

hearing on this matter at the State House on Jan. 28 1930 before the Commissioner of Public Works and that the Commissioner agreed that the State would take over these roads as State Roads as soon as they were able to do so. This report was accepted and placed on file.

Mr. Waters reported for the Committee appointed for the purpose of bringing in plans and recommendations for a celebration of the Town of Chelmsford's 275th Anniversary, as follows, The Committee has held a number of pleasant meetings and formulated plans, but owing to the fact that no money can be appropriated for such a celebration unless the number of years is exactly divisible by fifty, if the voters wish this Committee will continue in office, otherwise we wish to be discharged.

This report was accepted and placed on file.

The next matter to be taken up was action on Article 33 of the Warrant for the Annual Town Meeting held in 1929, the said Article having been laid on the table until this time. In regards to the purchase of 15 acres of land on Fish Pond so called to be used for a Public Swamp, on a motion made by Harold C. Pittman it was voted to discharge this Article.

Under Article 2 - On a motion made by John C. Munahan, it was voted to take this article up immediately after the noon recess at 1 P. M.

Under Article #3 - On a motion made by Frank J. Lupin, It was voted that the Town authorize the Selectmen to act as its agent

in any suit or suits which may arise during the current year; also in such other matters as may arise requiring in their judgement the action of such agent, and to employ counsel therefor.

At this point of the meeting on a motion made by Fred L. Fletcher, it was voted to again take up Article 1

Fred L. Fletcher reported for the Committee on Improving the Varney Playgrounds at North Chelmsford, the following report was read by Mr. Fletcher, the report being made by Mr. Shank's Supt. of Streets who had charge of the work done;

To The Board of Selectmen,
Chelmsford, Mass.

Gentlemen:

I, acting as Chairman of the Varney Playground Committee, not having filed a report on doings there for the Annual Town Report, I take pleasure in handing you Board this report to read at the Annual Town Meeting, February 10 1930.

The Highway Dept. started work Saturday June 29 1929 to do rough grading on the plot that was filled the year before. It took helper and 15 men, two and one half days before we could get to hauling fill from both side and placing same on South side and West end. We hauled 3891 yds. of filling and graded same making a play ground of 160 ft wide by 330 ft long without loaning

My suggestion would be that if we got \$2000 to finish filling rest of lot and loaning some that the Town would have a very nice place for recreation.

Respectfully submitted

Wm. Shanker
Supt of Streets
Chelmsford, Mass.

On a motion made by J. C. McMahon it was voted to accept this report as a report of progress and the Committee to continue in office.

Mr. Fletcher reported for the Committee on Improving the Common at Chelmsford Centre, as follows:

The Committee appointed for the purpose of "Improving the Common at Chelmsford Centre" herewith render their report on same. This Committee beg to report that the work is completed and they have expended the following amounts of money for the following purposes:

For Cement and stone work	\$1525.00
For grading, grading and shrubbery	3576.18
For engineering fees	440.78
For gravel & labor on outside sidewalk	106.90
Installing water pipe and meter	170.10
For two markers for trees	<u>40.00</u>
	5858.96

The two markers which have just been referred to are in the hands of the Committee and will be placed, one on front of each tree, the tree on the Unitarian Church side of the Common was a gift from the Chelmsford Range and the tree on the Town

hall side of the Common was a gift from the Chelmsford Centre Village Improvement Association.

We respectfully request that the voters assembled here today give a rising vote of "Thanks" to the Chelmsford Grange and the Chelmsford Centre Village Improvement Association for the splendid spirit shown by these Associations making these gifts to add to the beauty of this plot of land so centrally situated.

We also will say that a balance of \$141.04 was turned back to the Town out of the appropriation made of \$6000.00

As this Committee have completed their work we beg that their report be accepted and this Committee discharged

Wm. A. Clough
Chairman

Warrant for State Elections

November 4 - 1930

Middlesex S.S.

To Harold C. King, a Constable
of the Town of Chelmsford.

Greeting:

In the name of the Commonwealth
you are hereby required to notify and
warn the inhabitants of said Town
who are qualified to vote in elections
to meet in their several polling places
viz:

- Precinct 1. Town Hall, Chelmsford Centre
- Precinct 2. Town Hall, North Chelmsford
- Precinct 3. Historical Hall, West Chelmsford
- Precinct 4. School House East Chelmsford
- Precinct 5. Liberty Hall, South Chelmsford
- Precinct 6. Goldenrover School House, Writtle.

on Tuesday, the fourth day of November,
1930, being the first Tuesday after
the first Monday in said month,
at Twelve o'clock noon for the following
purposes; to bring in their votes for
the following Officers:

- Governor for this Commonwealth.
- Lieutenant Governor for this Commonwealth.
- Secretary for this Commonwealth.
- Treasurer for this Commonwealth.
- Auditor for this Commonwealth.
- Attorney General for this Commonwealth.
- Senator in Congress for this Commonwealth.
- Congressman for the Fifth Congressional District.
- Councillor for the Sixth Councillor District.

Senator in the eighth Senatorial District
 One Representative for the General Court in
 the 11th Representative District.

District Attorney for Middlesex County.
 Register of Probate and Insolvency for Middlesex
 County.

One County Commissioner for the County of Middlesex,
 Two Associate County Commissioners for the
 County of Middlesex.

Treasurer for the County of Middlesex, and to
 act upon the following matters:

Acceptance of the following, "Proposed
 Amendment to the Constitution?"

Question No. 1.

Article XXI. of the articles of amendment
 is hereby annulled and the following
 is adopted in place thereof:

Article XXI. In the year nineteen
 hundred and thirty six and every
 tenth year thereafter a census of the
 inhabitants of each city and town shall
 be taken and a special enumeration
 shall be made of the legal voters
 therein. Said Special Enumeration
 shall also specify the number of legal
 voters residing in each precinct of each
 town containing twelve thousand or
 more inhabitants according to said
 census and in each ward of each
 city. Each special enumeration shall be
 the basis for determining the representative
 districts for the ten year period, beginning
 with the first Wednesday in the fourth
 January following said special
 enumeration provided, that such districts

as established in the year nineteen hundred and twenty six shall continue in effect until the first Wednesday in January in the year nineteen hundred and thirty nine.

The house of representatives shall consist of two hundred and forty members, which shall be apportioned by the general court, at its first regular session after the return of each special enumeration, to the several counties of the commonwealth, equally, as nearly as may be, according to their relative numbers of legal voters, as ascertained by said special enumerations; and the town of Cohasset, in the county of Norfolk shall, for this purpose, as well as in the formation of districts as hereinafter provided, be considered a part of the county of Plymouth; and it shall be the duty of the secretary of the commonwealth to certify, as soon as may be after it is determined by the general court, the number of representatives to which each county shall be entitled, to the board authorized to divide such county into representative districts. The county commissioners or other body acting as such or, in lieu thereof, such board by law, shall, within thirty days after such certification by the secretary of the commonwealth or within such other period as the general court may by law provide, assemble at a shire town of their respective counties, - and of contiguous territory and assign representatives thereto, so that each representative in such

county will represent an equal number of legal votes, as nearly as may be; and such districts shall be so formed that no town or precinct of any other town and no ward or a city shall be divided therefor, nor shall any district be made which shall be entitled to elect more than three representatives. The grand court may by law limit the time within which judicial proceedings may be instituted calling in question any such apportionment, division or designments. Every representative, for one year at least immediately preceding his election, shall have been an inhabitant of the district for which he is chosen, and shall cease to represent such district when he shall cease to be an inhabitant of the commonwealth. The district in each county shall be numbered by the board creating the same, and a description of each, with the numbers thereof and the number of legal votes therein, shall be returned by the board, to the secretary of the commonwealth, the county treasurer of such county, and to the clerk of every city or town in such county, to be filed and kept in their respective offices. The manner of calling and conducting the elections for their choice of representatives, and of ascertaining their election, shall be prescribed by law.

Article XXII of the articles of amendment is hereby annulled and the following is adopted

in place thereof:

Article XXII. Each special enumeration of legal voters required in the preceding article of amendment shall likewise be the basis for determining the senatorial districts and also the councillor districts for the ten year period beginning with the first Wednesday in the fourth January following such enumeration; provided, that such districts as established in the year nineteen hundred and twenty six shall continue in effect until the first Wednesday in January in the year nineteen hundred and thirty nine. The senate shall consist of forty members. The general court shall, at its first regular session after the return of each special enumeration, divide the commonwealth into forty districts of contiguous territory, each district to contain, as nearly as may be, an equal number of legal voters according to said special enumeration; provided, however, that no town or ward of a city shall be divided therefor; and such districts shall be formed as nearly as may be, without uniting two counties or parts of two or more counties, into one district. The general court may, by law, limit the time within which judicial proceedings may be instituted calling in question such division. Each district shall elect one senator, who shall have been an inhabitant of this commonwealth five years at least immediately preceding his election.

and at the time of his election, shall be an inhabitant of the district for which he is chosen; and he shall cease to represent such senatorial district when he shall cease to be an inhabitant of the commonwealth.

Acceptance of the following "Laws Proposed By Initiative Petition".

Question No. 2.

"An act to repeal section two A of Chapter one hundred and thirty eight of the General Laws, inserted by chapter three hundred and seventy of the acts of nineteen hundred and twenty three."

Question No. 3.

"An act to amend chapter one hundred and thirty one of the General Laws."

The polls will be open from twelve o'clock noon to eight o'clock p. m.

And you are directed to serve this Warrant by posting attested copies thereof seven days at least before the time of said meeting as directed by vote of the Town.

~~Hereof~~ Failnot and make return of this Warrant with your doings there at the time and place of said meeting.

Given under our hands this twenty
fifth day of October, A. D. 1930.

Special Town Meeting May 19 1931

At a Special Town Meeting of the Inhabitants of the Town of Chelmsford qualified to vote in Town affairs, said meeting held pursuant to a Warrant duly posted, the meeting was held in the Upper Town Hall at Chelmsford Center May 19 1931 at 8 P.M. The meeting was called to order by Moderator Walter Perkins and the following business was transacted to wit:

On a motion made by Selectman James A. Grant, it was voted to waive the reading of the Warrant by Town Clerk Harold C. Peterson.

Under Article #1. On a motion made by Harold C. Peterson, it was voted to raise and appropriate the sum of \$150.00 for the Town Treasurer and Tax collector expense.

Under Article #2. On a motion made by Frank J. Lupien to raise and appropriate the sum of \$1200.⁰⁰ for the purpose of widening Steadman St at the Chelmsford Street entrance, this motion was lost and the purpose of this article defeated.

Under Article #3. On a motion made by Angel Shaverer it was voted to accept a bequest of \$300.⁰⁰ according to the provisions of the will of Emma Brothers, late of Lowell, the income from the \$300.⁰⁰ to be used for the purpose of perpetual care of the burial lots of Esther M. Blaggett and James C. Burgess,

located at the Riverside Cemetery in the North Village.

Under Article #4 In relation to the appropriation of \$100.00 for the purpose of paying the salary of a fish and game warden, it was voted to discontinue this article.

Under Article #5 On a motion made by Gabriel Andoin, it was voted to hear the report of the Committee appointed to investigate the advisability of establishing a Town Municipal Water System. The Chairman of this committee Robert W Barnes read the following report -

Advisability and Recommendations

Considering the different projects submitted by Hutchell & Eddy, Project 1, on separate supplies; Project 2, on Municipal System; Project 3, on District Extensions.

Project 1. Each district has separate plants and superintendents, and to add any more water districts, it is evident they would be operated in a like manner, creating more expense and further dividing the work of the Town Officials. In the opinion of this Committee, this is not good economy.

Project 2. The establishing of a municipal system, under this system both the districts would draw their water from a single source with a unified plant. The Engineers prefer the Warren Ave wells; these wells by an analysis of the strata and Hutchell & Eddy sustain a well chosen supply for quality with a production adequate to supply the Town for many years.

Project 3- Our opinion of this plan is not a favorable one; it is almost definitely settled that the North District source of supply has been fully developed, thus prohibiting any further extension. The District to develop a new source of supply would cost more than to connect with the Center District. It can be safely assumed this project is but a modification of the others.

The Committee are of the opinion that the adoption of Hutchins and Eddys Project 2 for a Municipal System is the proper solution for obtaining an adequate system for the Town. We further advise that in the event of establishing a program for construction, this should be carried over a period of years, as finances and demand of service dictate; such a program could be started on a \$60,000.⁰⁰ extension at a cost of 44 cents on a tax levy.

The demand for a water supply from the outlying parts of the Town has matured and in maturing they have requested the Town to study ways and means of establishing an adequate supply.

Your Committee in their work of study have spent \$1,275.⁰⁰ of the Town's money to present to you a constructive and advising report. It is apparent that with the money spent the Town should follow up Hutchins and Eddys recommendations by a petition to the General Court for an act to dissolve the present Water District, and to assume all property and outstandings invested. The petition will allow the voters to consider any undertakings without committing the Town to any obligation.

Robert W. Barrie
 Emile E. Paigum
 Harry L. Sheard
 J. C. McMahon

The Committee on Water Supply consisted of Robert W. Barrie, Chairman; George E. Paigum Secretary; Emile E. Paigum; Harry L. Sheard; John C. McMahon and Harold C. Peterson.

Frank J. Lupien, Selectman, moved that the acceptance of this report be laid on the table until the next Annual Town Meeting, this motion was lost.

Mr. Kelly moved that the report be accepted and it was so voted.

Mr. Shingen moved that the Committee be discharged and given a vote of thanks, and it was so voted.

Under Article #6 - Under this article a motion was made by G. Carlton Brown, the Moderator ruled that this motion was out of order and could not be acted upon.

Mr. Hunt moved a motion that the Selectmen be instructed to petition the General Court for permission to establish a single municipal water system, an amendment was made by Gabriel Andoin that, in order to give the members of the Chelmsford Center and North Chelmsford Fire Districts respectively an opportunity to consider the proposed consolidation, as well as to give the Taxpayers of the entire Town their rightful privilege to register their sentiment on this proposition by either a "Yes" or "No" vote, it is moved that this Article be laid on the table, and that this question be placed

on the ballot for the next Annual Town Meeting, this amendment was lost, Mr. Hunt's motion was then acted upon and this motion was lost.

Mr. James P. Sherington made a motion that this article be indefinitely postponed the check list was used on this vote and 335 voted yes and 112 voted no and the motion was carried.

Under Article #7. Edward B. Russell moved that the town vote to raise and appropriate the sum of \$10,000.⁰⁰; that the Town Treasurer be and hereby is authorized to borrow the sum of \$110,000 at a rate of interest not exceeding four per cent per annum, payable semi annually and to issue therefor twenty promissory notes, each on the same principal sum of \$5500.⁰⁰ payable at the expiration of one to twenty years inclusive from the date thereof, each note to be signed by the Town Treasurer and by a majority of the Board of Selectmen of the Town; and that the proceeds from the said amounts to be raised and borrowed namely; \$120,000.⁰⁰ be used for the purpose of constructing an addition to the high school. consisting of an auditorium, a gymnasium, two locker rooms, two shower rooms and first or some other number of additional classrooms and for the purpose of purchasing equipment for the said building John C. McMahon moved that this article be laid on the table until the next annual town meeting for further consideration and it was so voted.

Under Article #8 - No action could be taken on this article as this article being contingent on Article #7.

Under Article #9 - On a motion made by Herbert C Switzer it was voted to appoint a Committee of three to investigate the necessity of furnishing better facilities for the transactions of Town business and report at the next annual town meeting. The moderator appointed as this Committee George L Waite, Stuart Hookay and Herbert R White.

QUESTION NO. 3.

PROPOSED AMENDMENT TO THE CONSTITUTION
OF THE UNITED STATES.

Is it desirable that the proposed amendment to the Constitution of
the United States,—

“ARTICLE —

“SECTION 1. The terms of the President and Vice President
shall end at noon on the 20th day of January, and the terms of Sena-
tors and Representatives at noon on the 3d day of January, of the years
in which such terms would have ended if this article had not been
ratified; and the terms of their successors shall then begin.

“SEC. 2. The Congress shall assemble at least once in every year,
and such meeting shall begin at noon on the 3d day of January, unless
they shall by law appoint a different day.

“SEC. 3. If, at the time fixed for the beginning of the term of the
President, the President elect shall have died, the Vice President
elect shall become President. If a President shall not have been
chosen before the time fixed for the beginning of his term, or if the
President elect shall have failed to qualify, then the Vice President
elect shall act as President until a President shall have qualified;
and the Congress may by law provide for the case wherein neither a
President elect nor a Vice President elect shall have qualified, declar-
ing who shall then act as President, or the manner in which one who
is to act shall be selected, and such person shall act accordingly until
a President or Vice President shall have qualified.

“SEC. 4. The Congress may by law provide for the case of the
death of any of the persons from whom the House of Representatives
may choose a President whenever the right of choice shall have
devolved upon them, and for the case of the death of any of the per-
sons from whom the Senate may choose a Vice President whenever
the right of choice shall have devolved upon them.

“SEC. 5. Sections 1 and 2 shall take effect on the 15th
day of October following the ratification of this article.

“SEC. 6. This article shall be inoperative unless it
shall have been ratified as an amendment to the Consti-
tution by the legislatures of three-fourths of the several
States within seven years from the date of its submis-
sion,” — be ratified by the General Court?

QUESTION NO. 1.

LAW PROPOSED BY INITIATIVE PETITION.

Shall the proposed law which defines and legalizes the practice of chiropractics; establishes a board of registration of chiropractors and defines the number, mode of appointment, tenure, qualification and compensation of its members, and its powers and duties; provides for the preliminary qualifications, examination, certification, original registration and annual license of chiropractors and regulation of their practice, and defines the mode, subjects of and fees for examination, the mode of practice and penalties; and other matters related thereto, which are chiefly as follows:

That chiropractic be "the science or practice of locating and adjusting by hand the malpositions of the articulations of the human spine."

That any person, with one preceding year's residence in this Commonwealth and with degree from a qualified chiropractic school received at least one year prior to the date when this law takes effect, may, within ninety days after such date, be certified by the board at its discretion without examination.

That otherwise no person, except a member of the board of registration, shall practice chiropractic unless, being over twenty-one years of age, of good moral character and graduated from a reputable chiropractic school after personally attending courses of at least twenty-two hundred sixty-minute daylight hours given to persons qualified to graduate from a public high school, he shall qualify by examination, pay a fee of twenty-five dollars and be registered and certified; except that any person licensed in another State maintaining standards equal to those of this Commonwealth may be registered without examination.

That the examination be scientific and practical in character, in subjects including anatomy, physiology, symptomatology, hygiene, sanitation, chemistry, histology, pathology, chiropractic analysis, and the principles and practice of chiropractic.

That the board may, after hearing, revoke a certificate for cause.

That the board shall make an annual report and shall keep public records of its proceedings and of the names of persons examined or registered by it and of the names and addresses of all registered chiropractors, who shall pay an annual license fee, promptly notify the board of any change in address and furnish such other information as the board may require.

That the board consist of three members, residents of the Commonwealth for three years, graduates of a chartered chiropractic school having power to confer degrees in chiropractic, to be appointed by the governor, with the advice and consent of the council, for a term of three years.

That the board have authority to administer oaths, summon witnesses and take testimony and adopt reasonable rules and regulations pertaining to their duties, and that they pay into the state treasury fees received by them, and that they receive compensation and reimbursement for expenses in such amounts as may be annually appropriated therefor not exceeding the amount of such fees.

Penalties are provided for practicing chiropractic without holding a certificate or for using the words "Chiropractic Practitioner", the letters "D.C.", or any title or letters indicating engagement in such practice, or for buying, selling or fraudulently obtaining any diploma or record of registration.

It is further provided that the present law relating to the registration of physicians and surgeons and providing penalties for the unauthorized practice of medicine shall not be held to discriminate against registered chiropractors; but no chiropractor, unless registered as a physician or surgeon, may practice obstetrics, or administer drugs, or perform surgical operations by the use of instruments, or hold himself out as and for other than a chiropractor, which was disapproved in the House of Representatives by a vote of 50 in the affirmative and 151 in the negative and in the Senate by a vote of 13 in the affirmative and 21 in the negative, be approved?

QUESTION NO. 2.

LAW PROPOSED BY INITIATIVE PETITION.

Shall the proposed law which provides for an additional method of nominating candidates for nomination, at the state primaries in September, by members of political parties, for those offices to be filled by all the voters of the Commonwealth at a state election.

It provides that the state conventions of the political parties, in each state election year, shall be held before and not after the state primaries, as now, namely, not later than June 15. In order to elect delegates to such party conventions, party primaries are established to be held on the last Tuesday in April. Among other things, these state conventions may endorse candidates for offices to be filled by all the voters and to be voted upon at the state primaries. Such endorsement places a candidate in nomination, at such state primaries, without the necessity of filing nomination papers. The name of the endorsed candidate is to be placed first on the ballot and against his name is to be placed the words "Endorsed by (the name of political party) convention" in addition to the eight-word statement now authorized by law. Candidates endorsed by a party convention may accept said endorsement within ten days, and having so accepted may not withdraw.

It also provides for the election of district members of state committees and members of ward and town committees at the proposed party primaries in April, as well as delegates to the state party conventions, instead of at the state primaries in September, as now.

It also provides for the election of delegates to national conventions (to nominate candidates for President) at the proposed party primaries instead of at the primaries, now specially held for that purpose, and which existing law requires to be held on the last Tuesday in April (the same day proposed for the proposed party primaries).

It also provides for certain other new provisions of law and certain changes in existing laws, relating to holding state conventions and party primaries, the number and election of delegates to state conventions, the number of members at large of a state committee, and other matters, which in more detail chiefly are as follows:

State conventions are to be composed solely of delegates elected at the party primaries, and the number is to be one from each ward and town and one additional for every fifteen hundred votes or major fraction thereof above the first fifteen hundred votes cast at the preceding state election in such ward or town for the political party candidate for Governor, instead of a number now fixed by the state committee of each party (not less than one from each ward or town) and certain members designated by existing law.

The time, for notice to the State Secretary by aldermen or selectmen of their determination to hold primaries by wards, precincts or groups of precincts, to be March 1, instead of August 1, as now.

The names of candidates for election for delegates to a state convention and for district members of a state committee to be arranged individually by alphabet instead of in groups arranged by lot, as now.

Vacancies in the office of delegate to a state or national convention not to be filled except in case of a tie vote, and then by delegates from the same district, within ten days, and if no other delegate or if not so filled, then by a state committee, rather than solely by the remaining members of the delegation; and statement of filling of such vacancy to be filed with the State Secretary.

Seating of delegates at state conventions to be in groups by senatorial districts, and order of business at said conventions defined.

Voting on candidates, by a convention, to be by roll call, if more than one candidate for the office, or by groups of delegates unless any member of such group objects.

The number of members at large of a state committee of a political party to be fixed by the state convention of a party instead of by the state committee, as now.

The existing provisions as to preparation and filing of nomination papers, objections to nominations, preparation, number, substance, arrangement and form of ballots, hours during which polls shall be open, opening of ballot boxes, canvass and return of votes, return and certification of votes, now applicable to state primaries to be applicable to the proposed party primaries.

The power of a state committee to fix the number of district delegates to a national convention to be continued, but the date, of giving notice to the State Secretary, of such fixation to be March 1 instead of on or before the third Wednesday in March, as now.

The power of city and town committees to fix the number of members of ward and town committees to be continued, but the date, of giving notice to the State Secretary, of such fixation to be March 1 instead of August 1, as now, which was approved in the Senate by a vote of 21 in the affirmative and 17 in the negative and was disapproved in the House of Representatives by a vote of 62 in the affirmative and 138 in the negative, be approved?

Annual Business Meeting

February 12, 1934.

At a legal meeting of the Inhabitants of the Town of Shelmsford qualified to vote in Town affairs, held pursuant to warrant duly posted said meeting held in the Upper Town Hall at Shelmsford Centre on February 12, 1934 at 10 A.M. Moderator Walter Perham called the meeting to order and requested Town Clerk Harold C. Petterson to read the Warrant, after the Warrant was partially read John C. Monahan moved that the further reading of the Warrant be waived and it was so voted.

Under Article #1 —

It was voted to accept the Town Report as printed, with the following Amendments: That the name of James A. Grant be inserted under the head of Selectmen and Board of Public Welfare in place of Herbert C. Sweetser; and that the sum of \$150⁰⁰ be inserted under Charities and Soldiers' Benefits, instead of the sum of \$1500.⁰⁰

The report of the Committee appointed to make recommendations as to the advisability of improving the Common at North Shelmsford was made by Stewart McKay, Chairman of this Committee. The report is as follows:

Report of Committee on Improving North Common.

The Committee after careful study of the general condition and location of the North Common decided that the general appearance would be improved by the removal of the

fence and posts. Also that owing to the storm last summer the large oak tree on the Common was so badly wrecked that only the tall stump was left so that it would be necessary to remove it. It was also decided to put stone curbing around the sidewalk and as the grade was low, to raise the grade particularly on the south section. The question of the monument was then considered. Post 313 American Legion was in favor of the relocation to the southerly or broad end of the triangle. At first the Committee was inclined to look favorably on this proposition, but second thought brought out the fact that in this new location the size of the monument was such that it would not show to as good advantage as in its present location so that this idea was then dropped and it was decided to make its present location more attractive by putting a bubbler fountain at the peak of the common, cementing a section across the end, and run a three foot concrete walk into and around the monument. Shrubbery and flower beds nearby to complete arrangement. The lower section to be laid out with large flower beds and if possible secure a piece of World War artillery to be located in a central position in the wide section of the Common. The C.W.A. projects made it possible to have a large part of the rough work on this proposition to be done at no expense to the town, so as this made it possible to save the town at least half of the expense we went ahead with this work and at the present time the stump has been removed, all of the curbing except a small piece at northerly end is in place,

the old loam stripped off, the rough grade established and most of the old loam put back, leaving the finished grade to be completed, more loam being required to complete the grade and the seeding, walks, bubbler, and shrubbery to be put in.

and to act upon the following matters:
 Questions No #1.

Shall the law described as follows:

This law amends General Laws, Chapter 131 as previously amended, by updating section 105 A thereof and adding thereto three new sections, 105 B, 105 C and 117 A.

Section 105 B provides that whoever uses any trap or other device for capture of fur bearing animals, which is not designed to kill such animal at once or to take it unhurt and which is likely to cause continued suffering to an animal caught therein, shall be fined fifty dollars, but traps or other devices for protection of property, set not ~~less~~ more than fifty yards from any building, cultivated plot, or enclosures used for rearing poultry or game birds, to the use of which the presence of vermin may be detrimental, are excluded from the application of this section.

Section 105 C, provides for the submission to the voters at a municipal election in any city or town upon petition, of the question of whether the operation of Section 105 B shall be suspended or if it

has already been suspended, of the question whether it shall again be operative in such city or town.

Section 114 A. provides that the Commissioner of Conservation may suspend the operation of section 105 B for a period not exceeding thirty days within any specified territory under the control of his department.

The law also provides for the submission, by the selectmen to the voters at a special town meeting in the current year, upon petition, of the question as to whether the provisions of section 105 B shall be suspended in any town; and which was approved by both branches of the General Court by vote not recorded, be approved?

To obtain full expression of opinion, voters should vote on both of the following questions;

- (a) If a voter desires to permit the sale of any and all alcoholic beverages in this city (or town) he will vote "yes" on ^{both} questions &
 (b) If he desires to permit the sale of wine and malt beverages only herein, he will vote "no" on question 1 and "yes" on question "2"

(c) If he desires to prohibit the sale of any and all alcoholic beverages herein he will vote "no" on both questions

1. Shall licenses be granted in this city (or town) for the sale therein of all alcoholic beverages (whisky, rum, gin, malt beverages, wine and all other alcoholic beverages)?
2. Shall licenses be granted in this city or town for sale of wine and malt beverages (wine and beer, ale and all other malt beverages)?

1. Shall the pari-mutuel system of betting on licensed horse races be permitted in this county?

2. Shall the pari-mutuel system of betting on licensed dog races be permitted in this county?

The polls will be open from eight o'clock A.M. to eight o'clock P.M.

And you are directed to serve this warrant by posting attested copies thereof seven days at least before the time of said meeting as directed by vote of the town.

They said but and make return of this Warrant with your doings therein at the time and place of said meeting.

Given under our hands this twenty seventh day of October A.D. 1924

Stewart Mackay

James A. Grant

Frank J. Supina

Questions

To obtain a full expression of opinion, voters
 should vote on all three of the following questions:—

- (a) If a voter desires to permit the sale in this
 town of any beverages to be drunk on and off the
 premises where sold, he will vote "Yes" on all
 three questions.
- (b) If he desires to permit the sale herein of
 wines and malt beverages only to be drunk on
 and off the premises where sold, he will vote
 "No" on question one, "Yes" on questions two, and "No"
 on question three.
- (c) If he desires to permit the sale herein of all
 alcoholic beverages but only in packages, so-called,
 not to be drunk on the premises where sold, he
 will vote "No" on questions one and two and
 "Yes" on question three.
- (d) If he desires to permit the sale herein of
 wines and malt beverages to be drunk on
 and off the premises where sold in addition
 to other alcoholic beverages but only in
 packages, so-called, not to be drunk on the
 premises where sold, he will vote "No" on
 question one and "Yes" on questions two and three.

(E) If he desires to prohibit the sale herein of any and all alcoholic beverages whether to be drunk on or off the premises where sold, he will vote "no" on all three questions.

#1 Shall licenses be granted in this town for the sale therein of all alcoholic beverages (whisky rum, gin, malt beverages, wine and all other alcoholic beverages)?

Harold Peterson
John Clerk
March 31 1931

Annual Business Meeting March 8 1937

At a legal meeting of the Inhabitants of the Town of Chelmsford qualified to vote in Town affairs, held pursuant to Warrant duly posted, said meeting held in the Upper Town Hall at Chelmsford Centre on March 8 1937 at 10. a.m. Walter Pukham called the meeting to order and requested Town Clerk, Harold C. Pittman, to read the Warrant, after the Warrant was partly read a motion was made by Arthur Blotton to waive the further reading of the Warrant and it was so voted.

Under Article One:

It was voted to accept the Town Report as printed, with the correction of an error under the list of officers elected, in place of Raymond Reid as Sinking Fund Commissioner this should read Fritz H. Pearson. The correction was made by Town Clerk Harold C. Pittman.

Under Article Two:

As a motion made by James A. Grant, it was voted to lay this article on the table until after the noon recess.

Under Article Three:

Mr. Howard Smith reported for the zoning committee, his report was as following,

At the Annual Town Meeting a year ago the Selectmen were authorized to appoint a committee to look into the question of the advisability of zoning the Town. A committee

of Swanton was appointed. Early in the fall a meeting was held for the purpose of acquainting the members with the subject of zoning. We had a speaker from the State Department of Public Welfare, Division of Housing and Planning, and this was followed by an open meeting for all interested, the speaker this time was Mr. Edward J. Hartman, State Consultant on Town and City Planning. From the two speakers I think the members of the temporary committee obtained a fairly good idea of what zoning means to a town.

Zoning has for its basis the protection of residential districts. All planners and citizens interested in protected home areas recognize that every element of protection must be provided if an investment in a home is to be safe. The greatest element of competition between towns is a protection they offer to homeowners and business alike.

Your committee believe that zoning would be a distinct and lasting benefit to the Town and we recommend that the necessary action be taken at this meeting to lay the foundation for doing this. The first step is to adopt certain State Laws which have to do with Town planning and zoning, and secondly to elect a planning board to do this work. We recommend that the members of the planning board serve without pay. (Town zoning is often done by professional planners who receive from \$500 to \$1000 for the work they do.) if the recommendations of the committee are followed it is not proposed to have any extra cost to the Town of Chatham except the cost of printing the final report.

Zoning is a method of regulating community

growth along right lines, with special reference to health, comfort, safety and general welfare.

Howard H. Smith

Chairman of the
Temporary zoning Committee

March 8 1937

On a motion made by James A. Grant the following members were elected to the planning Board, as follows:

Lisdney E. Dupre	5 year term
John J. Meagher	5 year term
Howard H. Smith	5 year term
Leslie W. Ball	4 year term
Bayard C. Allen	3 year term
Ernest C. Smith	2 year term
William Bellwood	1 year term

town to meet in the Upper Town Hall
at New Bedford on Friday, the twenty-
third day of September, 1858, at eight o'clock
in the evening, to see and hear to and on
the following petition:

That the undersigned petitioners do hereby
petition the town and selectmen of New Bedford
to certain certain money for the purpose of
constructing a new addition to the high
school of said town.

And the undersigned petitioners do hereby
petition the town and selectmen of New Bedford
to certain certain money for the purpose of
constructing a new addition to the high
school of said town.

Directed to serve
this warrant by posting a tested
copy thereof at the Post Office
in the Centre of the Town, South
New Bedford, North New Bedford and

East Chelmsford, and at the School House, East Chelmsford and the Golden Cove School House, Westlands, seven days at least before the time appointed for holding the first meeting aforesaid.

And did not and make return of this warrant, with your going there to the time and place for holding this meeting aforesaid.

Given under our hands this twentieth day of September in the year of our Lord nineteen hundred and thirty eight

Stewart MacLay
James L. Grant
Carl M. Legum
Selectmen of Chelmsford

Witness my hand & the seal of the Town of Chelmsford
this 20th day of September 1938

Pursuant to the within warrant I have notified and warned the Inhabitants of the Town of Chelmsford, by posting up attested copies of the same at the Post Offices in the Centre of the Town, South Chelmsford, North Chelmsford, West Chelmsford and at the School House, East Chelmsford and at the Golden Cove School House, Westlands, seven days at least before the time of the meeting as within directed.

John L. Buchanan
Treasurer of the Town of Chelmsford

Special Town Meeting
September 23, 1938

A special town meeting held in the upper town hall, at Chelmsford Centre on September 23, 1938, the meeting was called to order by Moderator Walter Urham at 8 p.m.

In a motion made by Walter Jewett, Edward S. Russell was elected as clerk pro tem.

The reading of the warrant was waived.

In a motion made by Russell Harvey, the meeting was adjourned to 8 p.m., Sept 27, 1938.

The meeting adjourned at 8:25 p.m.

Edward S. Russell
Clerk, pro tem.

Special Town Meeting
September 27, 1938

A special town meeting was held in the upper town hall, at Chelmsford Centre, on September 27, 1938 at 8 p.m. This meeting was adjourned from September 23, 1938.

Under Article 1, a report of the High School Building Committee was made by Fred F. Kiggins. The report

was as follows:

The Committee consisting of four members appointed by the Moderator, Fred S. Higgins, L. E. Shorne, George White, and John J. Dunigan with the School Committee, Wendell H. Harvey, James Cassidy, and John C. McDermis, met immediately after the town meeting of July 27, 1938, and organized by electing Mr. Higgins, Chairman, and Mr. Dunigan clerk.

The growth of the High School was studied, as shown by the enrollment for each five year period beginning in 1917, when the school was opened in the present building with 161 students. In 1922 there were 184; in 1927, 224; in 1932, 376; in 1937, 445; and the expected enrollment for September was over 470. Actually there are over 480 in the school this week.

Plans proposed to a committee in 1931 by several different architects, and in 1935 by the firm of Ashton and Huntress, were discussed. It was decided to call in Ashton and Huntress in order to discuss alterations in the 1935 plan so as to provide an addition containing either four or six classrooms, an assembly hall and toilets.

The architects presented two sketches, one providing four classrooms, and the other six. It was decided that in view of the recent growth of the town, the one with six classrooms was the better plan. Two of these rooms would take the place of rooms now used in the McFarlin School.

The proposed addition provides:

On a floor one story below the present basement, an assembly hall seating 685.

On the level of the basement two classrooms 22' by 32', toilets for girls students, and for boys, and for women teachers, and for men.

On the level of the first floor two classrooms 22' by 32' directly over the classrooms on the basement level, and two classrooms 22' by 26' built in the space over the stage of the assembly hall. This floor will have toilets for girls and for boys, and a room for a clinic.

No change is made in the second floor of the present building.

The addition, as seen from the rear, will be one story lower than the present building, and the roof one story lower. If more rooms are needed at some future time, the walls can be built up to the height of the old building, providing space for four more rooms, or rooms can be added by building up from the ground level on one side of the assembly hall or on both.

The urgent need of enlarging the High School is conceded by everyone who has investigated conditions as they now exist. The committee are unanimously of the opinion that the school should have all the facilities proposed in this plan. The cost

to be made, not more than it probably would be at any later date. We recommend the adoption of this plan, and the appropriation of the money necessary for construction."

Fred L. Higgins, Chairman
James Cassidy
Glendon Starvey
George A. White
John J. Adams.

On the motion made by Fred L. Higgins it was voted:

That for the purpose of financing the construction and equipment of an addition to the Guilford High School building, and to enable the town to secure the benefits of funds granted by the Federal Government under the Public Works Administration Appropriation Act of 1938, there be raised and appropriated the sum of one hundred, one thousand four hundred fifty four dollars (\$105,454.00), and the Treasurer, with the approval of the selectmen, he and his heirs, authorized to borrow the sum of fifty-eight thousand dollars, and to issue bonds or notes of the town, under authority of, and in accordance with the provisions of Chapter 55 of the Acts of 1938, said bonds or notes to be payable in not more than fifteen years at such term and maximum rate of interest as may be fixed by the Emergency Finance Board.

The money received by way of grant from the Federal Government on account

of this project shall be applied first to the cost of construction thereof, and any balance shall be applied to the payment of the loan herein authorized.

The Selectmen, or the High School Building Committee, are hereby authorized and directed to accept on behalf of the town, or use in carrying out such project, a federal grant of money, pursuant to the Public Works Administration Appropriation Act of 1938; and the High School Building Committee are authorized to proceed with the construction of said project, and to enter into all necessary and proper contracts and agreements in respect thereto, all subject to applicable Federal regulations; and the Selectmen, and the High School Building Committee, are authorized to do all other acts and things necessary or convenient for obtaining said grant, making said loan, and constructing said project.

130 voted in the affirmative. No one voted in the negative.
On a motion made by Mr. Harvey it was voted:

That a Building Committee be appointed by the Moderator.

The Moderator appointed:

And W. Higgins, George L. Kaste, William E. Stone, and J. Dungan, the School Committee, and the Board of Selectmen, to act as a Building Committee.

Under Article 2, on a motion made by Mr. E. Jetterson, it was voted:

To raise and appropriate the sum of One Hundred Fifty (\$150.00) Dollars

for discharging the expense of the Assessors de-
partment.

It was voted:

to adjourn this meeting
at 9:15 p. m.

Harold E. Petersson
Town Clerk

Walter Bernum
Moderator.

	\$6,918.21

Under the item * Public Buildings Insurance on a motion made by Harold C. Peterson that the Selectmen be instructed to place all fire insurance policies now written by stock companies, in expiring in the year 1939 in mutual companies, this motion was lost. Mr. Grant explained that a re-rating is about to take place on all public buildings in Chelmsford and that if the motion was passed it may affect a rating to the benefit of the Town.

* Under the item of Town Reports, on a motion made by Harold C. Peterson it was voted that the Selectmen be instructed to investigate the advisability of publishing the Town report for the year 1939 in planograph form, and further be instructed to advertise for bids in distributing said reports.

Mr. Peterson explained that a substantial

saving probably could be made if this form of a report was adopted and he also explained that that a saving probably could be made by advertising for bids on the distribution of town reports as one of the distributors who distributed the 1938 report had told him that he would do the entire town for one-half of what it cost to do the entire town in 1939.

Under article three:

On a motion made by Stewart Mac Kay it was voted to authorize the Selectmen to act as its agent in any suit or suits which may arise during the current year, with authority to settle and adjust claims or demands for or against the Town; and to employ Counsel whenever in their judgment it is necessary.

Under article four:
